Come Join Us!

Please join us at our next PAC Google Meet, **Thursday, February 25** at 6:30pm.

Hockey Skills Program in Full Swing

Once again Delburne students are enjoying the four week **Hockey Skills Mentorship Program**. This is a great opportunity for DCS students in grades K-9 that are interested in working on their hockey skills, connecting with their peers, and having FUN on the ice!

The program runs Mondays (K-2), Wednesdays (5-9) and Fridays (3/4) from 3:30-4:30pm at the arena.

Likewise, if parents wish to connect with a teacher, please email or call the teacher.

Our March conferences will be via Google Meet or a telephone call. The afternoon of **Thursday, March 18**, from 3:15 - 6:00pm, will be the designated time for teachers to schedule meetings with parents. Please note - Kindergarten conferences follow a different schedule, which Mrs. Dudar will communicate to her parents.

January DCS Celebrates

Each month the DCS Celebrates program recognizes student excellence across all age groups. The purpose of this recognition program is to reinforce the following three characteristics of a successful student: **Dedication**, **Citizenship**, and **Spirit**. The aim of this initiative is to identify students that have made a contribution to the positive atmosphere of DCS through hard work, determination and acts of good character.

Parent/Teacher Conferences

Chinook's Edge has given us the direction that our March conferences will be virtual again, as in the fall. We feel it is extremely important to build positive relationships and connections with parents at this time. DCS teachers will make arrangements to connect with parents where they have concerns or see a specific need to meet.

January draw winners, sponsored by **Servus Credit Union**, were Braxton Tremblay, Cohen Jahng, Presley Burren and Kaela McCullough.

Ready, Set, Go!
Welcome to Online
Kindergarten
Registration!

Chinook's Edge is now accepting Kindergarten registrations for the 2021-2022 school year. Children must turn five years old by December 31, 2021 to begin attending Kindergarten in the fall of 2021. Online registration will begin in early January – please visit

our website at www.cesd73.ca for Kindergarten information.

Please upload your child's birth certificate online or email a copy to Kathy Huston, khuston@cesd73.ca.

2019-20 Yearbook
Selling Fast!

Only four 2019-2020 yearbooks left, so if you would like to buy one please call the Main Office. They are selling for \$45.00. If you ordered one, please arrange to pick up your copy.

We also have past yearbooks for sale in the office, ranging from \$10.00 - \$45.00.

Visitors to the
School

All visitors to the school MUST wear a face covering when entering, exiting, and moving through shared spaces. To limit the number of people entering and exiting the building, we are asking that parents adopt a modified routine for dropping off and picking up student materials. If you need to drop off or pick up something during the school day, please call the school office at 403-749-3838 and one of our staff members will come out to meet you.

Principal's Message

The past month has held its fair share of challenges, primarily due to the weather. I appreciate the feedback I have received from parents, staff and students regarding inclement weather days and have passed it on to Chinook's Edge.

We are excited to be back in the swing of face to face learning, as we move towards the end of the next reporting period. Parent/Teacher Conferences are planned for March 18 via telephone or Google Meet. I encourage all parents to connect with our staff to help improve learning for all students.

As always, if you have any questions, please contact me directly at 403-749-3838 or email thutchings@cesd73.ca.

Sincerely,
Ted Hutchings, Principal

Sharing Our Values
Each Day

A Message from the
Superintendent

Ensuring that our students are Engaged in meaningful learning and encouraged to rise to new challenges is part of our mission in Chinook's Edge. This year, more than most others, our teachers and school staff have relied upon the core values that inform our work together, guide our relationships, and impact the potential of each student. We have all needed to shift our learning in several ways during this pandemic. We are able to rise to these challenges and accomplish great things together, because we share a firm foundation of values that help create a positive school culture.

Our Mission and Vision statements are a daily reminder of our most important values, which

guide our work despite any challenges the pandemic may be creating. We recognize the uniqueness of every child in our care and, through our focus on relationships and on the values that shape strong character, we encourage each one to achieve excellence.

Kurt Sacher
Superintendent

Mission:

Chinook's Edge School Division will engage every student in meaningful learning by challenging, encouraging and believing in them.

Vision:

Chinook's Edge School Division will be universally recognized as a collaborative learning community where learning is personalized for all students to achieve success as compassionate and innovative global citizens.

CHALLENGE

design for our weekly challenges! You'll test out different ideas and see what others come up with. Join us to compete in various challenges, such as: boat making, tower building, and many more! Program materials provided!

Active Minds & Bodies

AGE 7-11

Tired of all the sitting around? Ignite your body and mind through games, challenges, and skill-building activities that focus on health, movement, and friendship. Learn how to stay healthy and active for life, while developing physical abilities and mindfulness. Materials provided!

AGE 14-17

TECH NATION

Tech Nation for teens has been inspired by the Boys & Girls Clubs of Canada program, Kid Tech Nation. We aim to introduce youth to computer programming, empower them to be comfortable writing code, and inspire them to want to create coding projects of their own.

AGE 10-14

Join in and understand the wonderful world of Minecraft in an interactive and safe Gamini' Group. Join with Windows 10, phones or tablets (Bedrock Version). Contact: davidb@youthhq.ca for more information or for support with set up.

LEVEL 1 & 2 AGE 8-12

Spark your creative side, build on your skills, swap ideas with new friends and practice mindfulness through art & craft. Most importantly, create something new, made by you, each week! Level 2 builds on these concepts after completion of Level 1. Program materials provided!

AGE 9-12

Join & bring nutrition as well as learn how to make snacks into the comfort of your home. Staff will drop off food supplies to your household and all participants will receive instruction on how to make the dish online. Open to youth in Benalto, Spruce View and Poplar Ridge.

AGE 13-17

Spark your creative side, build on your skills, swap ideas with new friends and practice mindfulness through art & craft. Most importantly, create something new, made by you, each week! Concepts are more advanced than the MBY Level 1 & 2. Materials provided!

AGE 8-11

Discovery Lab aims to engage kids in science and connects science to real world contexts. The program works with kids early and often, at a critical age before study and/or career decisions are made. Specifically, the program: Focuses on hands on experiments, covering a range of science areas; Increases participants' understanding of scientific approaches; Creates opportunities for problem solving, idea refinement, and iterative learning; Helps young people discover career opportunities in STEAM fields.

Do you feel stressed or uncertain about your teen parenting?

Or preteen during the COVID19 crisis? Our online group education program helps parents explore how adolescent development can affect preteen and teen reactions to crisis and teaches them strategies for coping.
