## Principal's Message

As we move into the last six weeks of the school year, I would like to begin by extending a thank you. Students, parents and school staff have all worked very hard to make sense of our new reality with at-home emergency learning. I appreciate the positive feedback we have received and

*A very young Mr. Hutchings. He's wearing the helmet because he likes hockey, not because he's clumsy!*

truly hope you are all well and safe.

Please note that our school staff have set "office hours" that mirror the regular school day. We understand that many families are working on learning activities outside the hours of a "regular" school day, so we will continue to find new ways to communicate and stay in contact. I hope you have a chance to enjoy May long weekend.

If you require anything, please don't hesitate to contact me via email [thutchings@cesd73.ca](mailto:thutchings@cesd73.ca) or give me a call at the school.

Sincerely,  
**Ted Hutchings,**  
Principal

## Safety in a Time of Pandemic

### A Message from the Superintendent

Each May, this newsletter message typically highlights our excellent record of surpassing safety standards in Chinook's Edge schools. Each year we proudly share audit results, which continually illustrate our division's steadfast commitment to safety. While our schools are maintaining focused attention to our traditional safety protocols, what is most pressing for parents and communities to know is the level of care our staff continues to take in schools during this time of COVID-19.

School buildings and division office are operating with limited capacity and with strict protocols at this time. Many of our staff are engaged in moving learning forward online from home, and the limited staff who are present in each building are working within strict guidelines.

There is hand sanitizer on workstations, restrictions on interactions, and caretaking staff onsite to ensure surfaces are continually cleaned and disinfected. In fact, caretakers in some of our schools have already completed their end-of-the-year deep cleaning.

Everyone in Chinook's Edge is doing their part to stay safe, to keep our facilities safe, and to use this time for completing additional projects. This way we will ensure we are ready - and very happy - to

welcome our students back to school when we are able to do so.

**Kurt Sacher  
Superintendent**

### Trustees at work for students

We are so grateful that parents throughout Chinook's Edge have stepped up to the current challenge in immeasurable ways. Please read more in the [May Board eNews](#).

### Approval of 2021-2022 Division Calendar

Creating a division calendar is a complex and challenging task, and we are pleased to share that the [Division Calendar](#) has been approved to the end of the 2022 school year (please click to review the information on our website). Calendar decisions are a collaborative process made in consultation with students, staff and Chinook's Edge families. Anyone wishing to provide feedback can do so on the website link above. This will help inform our decisions as we consider multiple details in determining each school year's calendar. Thank you.

# Online Learning During Coronavirus

# Non-screen activities you can do at home

Pobble

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

25 ideas!

**1** How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

'Learning from home is fun'

**2** Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

**3** Get building! You could build a Lego model, a tower of playing cards or something else!

**4** Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

**5** Start a nature diary. Look out of the window each day and keep note of what you see. Birds, flowers, changes in the weather, what else?

**6** Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets or toys perhaps?

**7** Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

**8** Use an old sock to create a puppet. Can you put on a puppet show for someone?

**9** Make a list of all the electrical items in each room of your home. Can you come up with any ideas to use less electricity?

**10** Design and make a homemade board game and play it with your family.

**11** Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

**12** Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item, you could draw a picture to include.

**13** List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

**14** Design and make an obstacle course at home or in the garden. How fast can you complete it?

**15** Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

**16** Keep moving! Make up a dance routine to your favourite song.

**17** Write a play script. Can you act it out to other people?

**18** Read out loud to someone. Remember to read with expression.

**19** Write a song or rap about your favourite subject.

**20** Get sketching! Find a photograph or picture of a person, place or object and sketch it.

**21** Junk modelling! Collect and recycle materials such as yoghurt pots, toilet rolls and boxes and see what you can create with them.

**22** Draw a map of your local area and highlight interesting landmarks.

**23** Write a postcard to your teacher. Can you tell them what you like most about their class?

**24** Draw a view. Look out of your window and draw what you see.

**25** Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?
