Book Fair Surpasses Goal!

It came and went in a flash, but the *Spring Book Fair* is over. We were able to reach and surpass our goal of \$2000 by selling a total

of **\$2484.60**. A portion of this was used to pick over 50 new books from the fair to add to the library's collection. Another portion will be tucked away for more books and furniture for future use in the Learning Commons.

The winner of the *Family Event Draw* with the prize of \$25 for both the winner and the winner's teacher was **Colin Smith** in Ms. Lamb's grade ½ class. The winners of the poster raffle were **Abe Boese** and **Corbin Marek** from grade 1, **Jason Andre** from grade 2, **Euan Larratt** from grade 3, **Katey Page** from grade 4, **Oakley Cochrane**, **Devyn Pelletier**, and **Justin Peters** from grade 5, **Keeley Christensen**, **Cheyenne Douglas**, **Jenna Neilson** and **MacKenzie Oxley** from grade 6, and **Brady Ogilvie** from grade 10. Congratulations to all the winners!

As always thank you to everyone that came out to support this important literary event at our school. See you all again in the new school year at the next Scholastic Book Fair!

Delburne Centralized School ECS Parents

The *Welcome to Kindergarten* evening will be Thursday, **May 30, 2019** at **6:30 pm** in the Learning Commons. This evening event is only for your ECS child, not their siblings. Also, bring a copy of their birth certificate if you haven't already uploaded it with your [online registration](#).

DCS Student visited RCMP in Regina!

Congratulations to grade 12 student, **Ryen Clutton**! She was selected to attend National Youth Engagement Week at the RCMP Depot in Regina. Only 30 grade 12 students Nationwide get this opportunity and only 4 from Alberta are chosen. There were thousands of applicants and 125 students interviewed in Alberta alone.

Strong Leadership Sets Students and Staff Up for Success

A Message from The Board of Education

As elected Trustees with the Chinook's Edge Board of Education, we are leading an initiative to ensure that Education is a priority discussion throughout the current provincial election process. Albertans will vote on

April 16th for the party that will lead our province into the future. To us, this must include a vision that ensures adequate supports for the students and school communities we serve. We are keen to discover what each party's Education platform is and what each candidate's Education priorities are.

We have developed an information sheet ([link](#)) that outlines our top priorities for Education, and encourage our school communities to join us in discussing Education with your local candidates. Thank you for working with us to find solutions that continue supporting our quality learning environments for students. Together, we will ensure that Chinook's Edge remains the school division 'where students come first'. On behalf of the entire Board of Education, thank you for your involvement in moving our division forward.

**Colleen Butler, Chair
Chinook's Edge Board of
Education**

Mission:

Chinook's Edge School Division will engage every student in meaningful learning by challenging, encouraging and believing in them.

Vision:

Chinook's Edge School Division will be universally recognized as a collaborative learning community where learning is personalized for all students to achieve success as compassionate and innovative global citizens.

Principal's Message

It's amazing to think that we are entering the "home stretch" of the school year. This time of the school year is always fun and

exciting. Things like graduation, field trips, and planning for next year can make for a hectic schedule in my world. I have enjoyed the opportunity to meet with several families over the past month and encourage anyone with questions or concerns to contact me directly.

As always, if you have any questions, please contact me directly at 403-749-3838 or email thutchings@cesd73.ca.

Sincerely,
Ted Hutchings, Principal
