Supporting Health and Wellness of our Students and Staff

A Message from the Board Chair

The new year provides a perfect opportunity to re-energize the many efforts underway in our school division to support the health and well-being of our students, staff and families. Nurturing a positive physical, social and emotional culture in our schools can positively impact student performance and academic achievement, which allows

students to reach their potential. We also care very deeply about this priority for our staff, and our Staff Health and Wellness Committee is working to support several initiatives across Chinook's Edge.

We are grateful to the many people whose efforts are supporting these priorities for everyone in our Chinook's Edge school communities. Doing so will ensure we are all ready to learn and ready to teach in every classroom across our division. On behalf of the entire Board of Education, we wish each of our families a happy and healthy new year.

**Colleen Butler, Chair
Chinook's Edge Board of
Education**

Ready, Set, Go! Welcome to Online Kindergarten Registration!

Chinook's Edge is accepting Online Kindergarten Registrations for the 2019-2020 school year. This new process will be piloted in our three elementary schools in Sylvan Lake from January 10-20, with general Online Kindergarten Registration for all Chinook's Edge schools beginning on **January 21st**.

This new process represents years of collaboration and refining across multiple departments in Chinook's Edge, and we appreciate the interest of parents across our large rural school

division who are embracing Online Kindergarten Registration. As always, we invite you to call or drop by your Chinook's Edge school at any time to find out more about the wonderful opportunities waiting for your child!

Principal's Message

I hope that everyone had an enjoyable Christmas holiday! I know that it was a great opportunity for me to spend time with family and friends. We are nearly half way through the school year and things are moving along incredibly well.

In the coming weeks, a wide number of things will be happening around the school. Our high school students are wrapping up the first semester by writing Provincial Achievement Tests (Grade 9), school-based final exams, and Diploma Exams (30 level courses). The exam schedule is posted on the school website as well as in the Trojan Tribune. We encourage you to contact the school if you have any questions.

DCS is look forward to a great Semester 2 which will begin on February 1!

As always, if you have any questions, please contact me directly at 403-749-3838 or email hutchings@cesd73.ca.

Sincerely,
Ted Hutchings, Principal

Demographics

Dear Parents:

[PowerSchool Parent Portal](#) is what we will be using to complete Alberta Education's requirements to digitize student records. There are many benefits to having a Parent Portal account such as viewing your child's grades (for select schools), attendance, and teacher comments, as well as being able to email your child's teacher directly. If you have multiple children, they will all be shown under one account.

If you didn't have an account we created one for you and your username and password were emailed to you.

When you log in for the first time you will be required to change your password. Please do this on a computer. If you want to change your username please contact Kathy at 403-749-3838.

When you have signed in to the PowerSchool Parent Portal [link](#) go to the bottom left side and click on , next you will need to go to the top right and click on  the bell with the red number on it. This will then take you into the form to complete. If you have more than one child you will have to do a form for each. Please remember to hit submit after you have completed all five screens.

Thanks so much and don't hesitate to call if you need any help.
