### **Old Business:**

#### Logo Competition:

*Some teachers and students are working on as in-class assignments. Jocelyn will remind the other teachers of the opportunity.*

#### Reading Presentation:

*New poster has been made and will be posted on the school media account and PAC social media accounts. We will put in the school newsletter and also send home a paper copy home with the youngest child in families in grade. Our minimum registrants will be 8-10.*

*Jocelyn will line up leadership students for childcare and email names to Courtney.*

### **New Business:**

Previous years documents: Should we have them? **n/a**

#### Teacher appreciation: date/donuts/confusion:

*We were alerted to the fact that it might have been teacher appreciation week a couple weeks ago. We were unclear whether it was and if the division was celebrating or what was happening. We couldn't come up with any clear answer so we supplied donuts to the school. Jocelyn said she hadn't heard anything and if we decided in the future to do something it would be more inclusive if we celebrated staff celebration instead of teachers.*

Meeting times: We will go back and do a couple later meet times again. Most likely 4 or 6 pm

**Meeting Adjourned: 3:35**

*That paying for gaga pits would be difficult but we were approved for the bussing and the printer.*

*Gag pits: There is about \$1000 that needs to be raised. We thought since the community has access to them maybe we could apply to the Village of Delburne community recreation grant. Courtney and Jocelyn would look into it.*

Urban Studio donation: \$210 made! *Janelle has the money and will give it to Brittany.*
