COUNSELLOR'S CORNER

Good Afternoon! My name is Tracy Ray and I am the high school career/academic counsellor. My role is to help our high school students connect with opportunities such as Dual Credit, Work Experience, Registered Apprenticeship Program, Outreach courses and more. I also help with career exploration and preparation for post-secondary education such as applications, scholarships, requirements, post-secondary visits etc. I have created Google Classrooms for grades 10-12 that will be updated regularly with counselling information. I will also post information on our social media sites! I am looking forward to a great year working with our high school students!

PAC

The first Parent Advisory Council (PAC) Meeting will take place on Tuesday, September 17th at 3:30 p.m. in the library. PAC is always looking for new faces to join us. The atmosphere is welcoming and we encourage parents from any grade level to join us.

PROFESSIONAL LEARNING DAY (No Students)

Friday, September 20 is a Professional Learning Day across Chinook's Edge School Division. Our Grade 9 - 12 teachers will be collaborating with fellow colleagues in the division and will spend the day digging into how to create "Thinking Classrooms" through effective instructional delivery. The K - Gr. 8 teachers will remain at Delburne School and will be working collaboratively on literacy, numeracy and inclusive education.

MOTIVATIONAL SPEAKER: CHRIS KOCH

On Thursday, September 19th, Delburne School and FCSS are excited to host motivational guest speaker, Chris Koch. Chris was born with physical limitations however he has not let this stop him from living a life filled with success and triumph.

Chris fills his days farming, travelling, and speaking to adults and children about the importance of pursuing their hopes and dreams. His motto, "If I Can..." portrays a powerful message regarding the importance of pushing yourself to achieve greatness.

A very special thank you to the Delburne FCSS for making this presentation possible!
