COUNSELLOR CORNER

This is a busy time of year! Grade 12 students are applying for post secondary and many colleges and universities have open houses! Open houses are a great way to check out a post secondary institution. They will have tours, program booths, presentations etc. Some even waive the application fee on that day for students applying for next fall. Most are drop in but some require registration so check out the individual school's website ahead of time. We have a bus of grade 10-12 students at Olds College open house today but they are also hosting one tomorrow if you would like to attend. Here are a few other open houses around our province:

University of Alberta-October 19th
University of Calgary-October 26th
University of Lethbridge-October 26th
Mount Royal University-October 26th
MacEwan University-November 2nd
Lakeland College-October 18th and 19th
