COUNSELLOR'S CORNER

Scholarships are a great way for students to help pay for their education. The Alexander Rutherford Scholarship is available for all high school students and potentially has a value of \$2500. The purpose of the scholarship is to recognize and reward academic achievement of senior high school students and encourage them to pursue post-secondary studies. Students apply for the Rutherford at the completion of grade 12 and been accepted into a post secondary institution. You can see the requirements for this scholarship at:

I have also posted a financial aid handbook created by Chinook's Edge in the grade 10,11 and 12 counselling classroom.

HALLOWEEN

We are excited for Halloween this year! The school will be filled with a wide variety of activities! In the upcoming days, classroom teachers will be sharing details outlining what activities each class will be taking part in. Please remember that we do not allow weapons at the school, even if they are part of a costume.

REMEMBRANCE DAY

We will be having our annual Remembrance Day ceremony on November 6th at 11:00 a.m. The ceremony will take place in the large gym and parents and community members are welcome to attend.
