### PARKING LOT AND BUS LOOP

We want to send a huge thank you to everyone for their support and patience this past week with our new pick-up and drop-off location. Thank you to our parents, bus drivers, community members and high school students for supporting this change. Your positivity and patience have made this change a success.

### DIPLOMA PREP COURSES

Diploma Exams are approaching quickly. There are several review sessions available to grade 12 students. The first is Rock the Diploma. This is a three day 15 hour review session in person at Lindsay Thurber in Red Deer. The cost for this is \$135 per course. The second is a program called Excelerator. This review is provided online and is around 20 hours. The cost is \$100 per course. Chinook's Edge School Division will reimburse students \$50 per course. If your child signs up for either option please let Ms. Ray know so she can send your information to the division office for a reimbursement.

Here are the links for registration and information:

## Weekly Update

### Dear Chinook's Edge School Division Students, Parents & Guardians,

We've partnered with Castle Rock Research to offer discounted Exceleator Diploma Preparation Courses to help students excel in diploma exams. Chinook's Edge School Division will fund \$50/student/course and families will pay the remaining \$50/student/course. Led by top educators on the SOLARO platform, these courses provide interactive learning, immediate feedback, and essential test-taking strategies. Each 20-hour course, delivered over 5 days, is fully aligned with Alberta's Program of Studies, offering device compatibility and interactive Q&A options. Click the button below to sign up or learn more.

### Exceleator Diploma Preparation Course Chinook's Edge School Division Price \$100.00

#### Mathematics 30-1

- Mathematics 30-1 focuses on algebra, functions, trigonometry, and problem-solving using graphing calculators. This course builds confidence and enhances exam readiness.

#### Mathematics 30-2

- Mathematics 30-2 emphasizes logical reasoning, probability, and practical applications. It equips students with strategies for exams without requiring calculus knowledge.

#### Chemistry 30

- Covers thermochemical, electrochemical, and organic reactions. Hands-on practice and feedback enable students to grasp complex concepts and perform well on their exams.

#### Biology 30

- Explores biological systems, genetics, and population dynamics. The course strengthens students' scientific understanding and exam skills, emphasizing scientific literacy.

#### Physics 30

- Focuses on momentum, forces, and atomic physics. Interactive lessons build problem-solving and critical thinking skills essential for diploma exams.

#### English 30-1

- Enhances skills in analysis, comprehension, and communication. Includes practice for written responses and exam strategies, helping students construct strong, clear arguments

#### Social Studies 30-1

- Covers citizenship, identity, and ideologies, developing analytical and essay-writing skills. This course equips students with strategies to manage time effectively on exams.
